

ORDERING GUIDE

**Chartis Consulting Corporation (dba Chartis Federal)**

Categories Awarded:

- Category B - Enterprise-Wide ITC/AV Service Solutions
- Category C - Mission-Based ITC/AV Services

**SEWP VI OVERVIEW**

NASA SEWP VI is a Government-Wide Acquisition Contract (GWAC) that provides Federal agencies and authorized contractors streamlined access to Information Technology, Communications, and Audio Visual (ITC/AV) solutions and services. SEWP VI may be used by all Federal agencies, including civilian and defense organizations, as well as authorized Federal contractors supporting government requirements. SEWP VI supports fair opportunity ordering, rapid acquisition timelines, and a broad range of enterprise-wide and mission-focused technology services.

**HOW TO OBTAIN A QUOTE**

To obtain a quote for services or an integrated ITC/AV solution under Chartis Federal's SEWP VI Category B or Category C award, submit the requirement through the NASA SEWP VI RFQ process or contact the Chartis Federal SEWP VI team. Chris Ziniti, Program Manager, and Bailey Scarff, Deputy Program Manager, coordinate customer requests, internal solutioning, pricing, and order support.

For the fastest response, provide:

- Agency/organization
- Contracting office
- RFQ or requirement number
- Statement of Work (SOW)
- Period of Performance
- Place of performance
- Security requirements
- Deliverable
- Technical or labor category requirements

**WHO CAN USE SEWP VI?**

- ✓ **Federal Civilian Agencies** (DHS, DOJ, Treasury, HHS, VA, DOT)
- ✓ **Department of Defense Components** (Army, Navy, Air Force, Marine Corps, Defense Agencies)
- ✓ **Intelligence Community Organizations** (CIA, NSA, DIA, NGA, NRO)
- ✓ **Independent Federal Agencies** (NASA, EPA, GSA, FCC, SEC)
- ✓ **Federally Funded Research & Development Centers** (FFRDCs) (MITRE, Aerospace Corporation, RAND)
- ✓ **Authorized Government Support Contractors** (Contractors authorized to purchase through SEWP in support of an eligible Federal customer)
- ✓ **Government-Owned Contractor-Operated (GOCO) Facilities** (Federally owned facilities operated by contractors, such as certain DOE national laboratories)

**CATEGORY B SERVICES**

- IT modernization
- Cloud services
- Enterprise managed services
- Cybersecurity
- Communications and collaboration
- Data and analytics
- Infrastructure operations
- Systems integration

**CATEGORY C SERVICES**

- Software development
- Telecommunications and network operations
- Systems engineering
- Data processing and analysis
- Digital services
- Cybersecurity operations
- Engineering and technical services
- Mission support solutions

POLICY + POST-DELIVERY SUPPORT

Chartis Federal manages service delivery, implementation, technical support, software support, warranty coordination when applicable, and other post-delivery matters in accordance with the awarded order, statement of work, and applicable OEM or software publisher terms. Customers may contact the SEWP VI Program Manager or Deputy Program Manager for any order-specific support need. The following support services are provided in accordance with the awarded task order and applicable contract requirements.

Implementation & Deployment

- Installation coordination
- Integration support
- Acceptance activities

Warranty & Maintenance

- OEM coordination
- Maintenance management
- Extended support options

Technical & Software Support

- Technical issue resolution
- Escalation management
- Status communications

Order Administration

- Deliverable tracking
- Invoicing support
- Performance management

Troubleshooting a Problematic Order: Contact Chris Ziniti or Bailey Scarff or info@chartisfed.com. Provide the order number, SEWP VI case number/SCN if available, agency point of contact, issue description, affected service or deliverable, relevant dates, and desired resolution. Chartis Federal will triage the issue, assign ownership, coordinate corrective action, and maintain customer communication through resolution.

SEWP VI ORDER PROCESS

FAIR OPPORTUNITY + CONTRACT HOLDER USER MANUAL COMPLIANCE (CHUM)

- Chartis Federal will participate in fair opportunity at the individual order level as applicable under FAR 16.505(b) and the SEWP VI RFQ process.
- Chartis Federal will quote only solutions and services available under its applicable SEWP VI contract and database of record, except where the contract expressly permits market-research responses.
- Quotes will state their validity period. We will honor an order submitted within that stated period.
- When responding through the NASA SEWP VI online quoting system, Chartis Federal will follow the CHUM, including applicable CHOP procedures and restrictions on Government information.

ABOUT CHARTIS FEDERAL

Chartis Federal is a systems engineering and integration company specializing in mission-critical communications, enterprise technology, advanced engineering, financial and data management, and emerging technologies. Since 2008, our teams have supported Federal missions across homeland security, law enforcement, public safety, defense, and civilian agencies - designing, integrating, modernizing, and sustaining systems where reliability is nonnegotiable.
